CCMS LOVES THEIR STUDENTS

BACK TO SCHOOL

What wonderful parent and student orientations. It was fun to see all our returning families and get to know our new families. For those who were unable to attend, please set up a conference with administration or your child's teacher to be informed of our new protocols. Thank you so much for being so supportive to our program and philosophy. We appreciate all the wish list donations – there are still a few items needed, please check with your child's teacher. We are excited to see everyone on Monday, August 14th.

A big thank you to all our families who came out on the first workday of the 2017 school year. It was a wonderful success.

Pictures coming soon!

Drop-off and Pick-Up Procedure

Our drop-off procedure will begin at 8:15 a.m. Staff will be outside to open car doors and greet your child. Please remember students are tardy after 8:30 a.m.

Afternoon pick-up begins at 4:00 pm. There will be a single line of cars closest to the gate. Please remain in your car if you are in the car line. Staff will bring your child out to you.

Once your child is in the car, please promptly pull out and exit the drive.

Things to remember:

- No cell phones during drive thru
- Park on street if exiting car to pick up your child
- Be conscious that the car line must be kept moving

Be Prepared for the start of School:

- get a good night's sleep (10-12 hours)
- dress comfortably
- Eating protein in the morning
- Bring a healthy lunch and 2-3 snacks.
- Bring a lightweight sweater or jacket – it gets a little cool in the classrooms
- Reusable Water Bottles
- Wear tennis shoes for P.E.
-
