### **Salary**

Negotiable depending on years of experience

### **Duty Days**

187

### **Subject Area/Teaching Field Endorsement**

Middle School certified or alternative certification  
Montessori certified preferred but not required  
Science with Math Emphasis

### **Description**

CC-Montessori is seeking a co-teacher for Middle School Mathematics. The position could be part-time person, 12:00 – 4:30 p.m., or full-time 8:00-4:30 p.m. Salary based on experience. Our Montessori middle school teachers have the unique opportunity to connect and build relationships with students on a deeper level. Teachers stay with the same group of students (7<sup>th</sup> & 8<sup>th</sup> mixed classroom) all day in their shared community space. The Middle School Montessori curriculum emphasizes whole child development. Many modalities of learning can be utilized as students move about the room or in their outside space, working on projects, assignments, or business ventures. Children complete work individually or in small groups. We are looking to add a strong leader, decisive in their expectations, and kind in their dealings with all around them to join our Montessori family. If you are interested in this wonderful chance to experience Montessori culture and teaching philosophies that focus on child centered development, please apply!

### **Requirements (Additional Information)**

Bachelor's degree from accredited university  
Valid Texas teaching certificate with required endorsements or required training for subject and level assigned  
Montessori Teaching certificate if applicable

Science with Math Emphasis
