

Corpus Christi Montessori School Earns State’s Highest Fiscal Accountability Rating

Corpus Christi Montessori School officials announced that Corpus Christi Montessori School received a rating of “Superior Achievement” under Texas Charter First financial accountability rating system. The Superior Achievement rating is the state’s highest, demonstrating the quality of CCMS financial management and reporting system.

The primary goal of Corpus Christi Montessori School – Charter FIRST is to achieve quality performance in the management of the charter’s financing sources, a goal made more significant due to the complexity of accounting associated with Texas’ school finance system. “We are very pleased with Corpus Christi Montessori School, FIRST rating”, says Cerise Weeks, Director. “This rating reflects that our school is making the most of our taxpayer’s dollars. This rating shows that CCMS is accountable not only for student learning, but also for achieving these results cost-effectively and efficiently.”

The Charter First accountability rating systems assigns one of four financial accountability ratings to Texas charters schools, with the highest being “Superior Achievement,” followed by “Above-Standard Achievement,” “Standard Achievement” and Substandard Achievement.
